

JUNIOR ASSOCIATE – CORPORATE | Brussels

Build businesses. Grow fast. Make an impact

ABOUT HARVEST

Harvest is a Belgian business law firm acting as a true legal partner for entrepreneurs and decision-makers.

We advise clients at every stage of their journey — from early-stage startups to listed companies — across sectors such as technology, media, biotech, real estate, financial services, insurance, and retail.

Our firm deliberately combines the technical excellence of top-tier law firms with the agility, proximity, and entrepreneurial mindset of a human-sized boutique.

THE POSITION

As a Junior Associate in our Corporate team, you will:

- Work directly with partners and senior lawyers on corporate and transactional matters
- Assist entrepreneurs on company life, M&A, investments, governance, and growth projects
- Be involved early in client interactions and strategic discussions
- Develop rapidly through hands-on work, mentoring and responsibility

WHY JOIN HARVEST

- Real responsibility and meaningful work from day one
- High-level legal training in a supportive and collaborative environment

- Strong exposure to entrepreneurial and innovative clients
- A culture based on excellence, availability, trust, and enthusiasm
- The opportunity to grow together with a fast-developing firm

YOUR PROFILE

- Master of Laws from a Belgian university
- Strong analytical and drafting skills
- Excellent knowledge of French, English and Dutch
- Entrepreneurial mindset and proactive attitude
- Ambitious, curious, and eager to learn
- Team player with a strong sense of responsibility

WHAT WE OFFER

- Diverse and high-quality work for Belgian and international clients
- Continuous training and regular feedback
- A pleasant, professional, and human working environment
- Competitive remuneration in line with your profile and progression
